## During Your Visit

To reopen our doors we must follow Government Guidelines. These include enforcing social distancing (2 metres; OR 1 metre plus when 2 is not possible. There will be clear signage throughout the premises) and limiting face to face communication. Below is our premises guidelines that must be adhered to during your visit. We kindly request your understanding during this difficult time, this is as new to us as it is to us.

- If you're sitting outside, all orders must be placed at the bar by one nominated party member throughout your visit. To decrease face-to-face communications multiple members must not attend the bar.
- If you're sitting inside, table service will be provided. Please note tables are available for a maximum of 2 hours.
- Children must not attend the bar. Unless they are being supervised to use the toilets, they must remain seated at all times.
- Sanitised food menus can be obtained from the bar.
- You must remain seated at your table and must not wander around.
- Please place empty glasses and plates to one end of your table to be cleared by a member of staff.
- Empty glasses & plates must not be brought to the bar.
- Tabs are only permitted to indoor diners.
- Social distancing must be practiced at all times, including in the toilets.
- Anybody found to be compromising the safety of other customers or staff members will be asked to leave the premises.
